# IMME 2024

The 17th edition of four-day long International Mining Machinery (IMME) will showcase the latest and diverse range of Mining machinery, Equipments, advanced technology solutions, services and supplies from India and abroad. Since its inception in 1984, IMME has been the largest mining exhibition which brings together the key players of the segment, contributing to the growth of the Mining sector in India.

## Global Mining Summit 2024

The 17th edition of Global Mining Summit (GMS) and International Mining Machinery Exhibition (IMME), the flagship event of CII in the Mining Sector is scheduled from 23rd October 2024 to 26th October 2024. GMS is scheduled from 23rd to 24th October and IMME will continue till 26th October 2024 at Science City Exhibition Ground, Kolkata, India. Over the year the Summit has seen participation from major geographies like Australia, Canada, Poland, Czech, Germany, Italy, UK, Indonesia, Russia etc. The event attracts global mining majors which will showcase the latest technologies for the sector and provide an ideal platform for collaborations, technology transfer and networking opportunities with key international players in the sector. The event attracts more than 400 exhibitors from across the globe and more than 10000 plus business visitors.

The theme for this year's GMS is "Viksit Bharat - Role of a Sustainable Mining Industry". Aligning with the theme, the summit aims to highlight the growth and emerging trends in the Indian mining sector and will focus on the high-priority aspects of the mining business including exploration, ease of doing business, new technology, policy frameworks for sustainable mining, emerging opportunities in critical mineral & rare earth space and urban mining. Major players from the mining, coal, iron ore and other mineral sectors globally, and within India, will use this forum for the exchange of views & ideas and explore business partnerships.

## Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with around 9,000 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 365,000 enterprises from 294 national and regional sectoral industry bodies.

For more than 125 years, CII has been engaged in shaping India's development journey and works proactively on transforming Indian Industry's engagement in national development. CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness, and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Through its dedicated Centres of Excellence and Industry competitiveness initiatives, promotion of innovation and technology adoption, and partnerships for sustainability, CII plays a transformative part in shaping the future of the nation. Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes across diverse domains including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

For 2024-25, CII has identified "Globally Competitive India: Partnerships for Sustainable and Inclusive Growth" as its Theme, prioritizing 5 key pillars. During the year, it would align its initiatives and activities to facilitate strategic actions for driving India's global competitiveness and growth through a robust and resilient Indian industry.

With 70 offices, including 12 Centres of Excellence, in India, and 8 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with about 300 counterpart organizations in almost 100 countries, CII serves as a reference point for Indian industry and the international business community.
